Last school result			

THE CEDARMOUNT SCHOOL ADVANTAGE

The School is set to create a deep, persistent and abiding desire for a lifetime of learning. We nurture a child's innate curiosity and thirst for knowledge in a supportive learning environment that prepare them for a lifelong intellectual, social and emotional success. We stop at nothing to deliver world class education to our students, we embrace the latest trend in technology, soft skills and also a robust curriculum. We expose our students to a variety of extra-curriculum and sporting activities. We adopt a holistic approach to your child's education. Our Team is made up of seasoned and passionate professionals and our top notch security ensures your child is in safe hands at all times.

We encourage parents to be full participants and partners in their child's education. Parental involvement is at the heart of our service delivery plan/structure to achieve the desired expectation of the child, the parent and the school.

At the end we want to put out in the world/society a well-balanced, intuitive thinker, whose mind can conceive great ideas and has self-confidence and inner drive to succeed in life no matter where the child finds himself/herself.

"A truly educated child continues learning long after the hours and years they spend in the classroom because they are motivated from within by a natural curiosity and love for knowledge". **Dr. Maria Montessori.**

OUR VISION

- To give every child an equal opportunity to reach their potential and be the best in anything they do.
- To love God, themselves and others.
- To love life, live life, and appreciate life.
- To build their confidence, self-worth and develop an inner drive to succeed.
- To train children to become future leaders, inventors and champions of their generation.

OUR MISSION

- To set and sustain the highest standard of learning through informative and functional education alongside participative play.
- To impact knowledge using the best and innovative teaching aid, resources and techniques in a well-balanced and conducive environment.

MOTTO

"Free your imagination, learn through play"
